**EXAMINER'S AMENDMENT and REASONS FOR ALLOWANCE**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Attorney Anthony England on January 24, 2005.

3. The application has been amended as follows:

Claim 12 was amended as follows:

12. A computer program product for electronic messaging management comprising:

first instructions for displaying a message interface for composing and sending an electronic message;

second instructions for receiving a first portion of the message in the message interface;

third instructions for receiving, in the message interface, a first set of one or more recipients for the first portion;

fourth instructions for receiving a second portion of the message in the message interface, wherein the message interface for composing and sending the electronic message has only a single send button for receiving a send command;

fifth instructions for receiving, in the message interface, a second set of one or more recipients for the second portion; and

sixth instructions for sending the message, wherein both the first and second portions are sent to the respective recipients responsive to receiving a single send command via the send button and wherein the message portions are sent without receiving an individual send command for the first message portion and without receiving an individual send command for the second message portion;

~~wherein the first instructions comprise:~~  
~~instructions for displaying a first data entry area for the message; and~~  
~~instructions for displaying a second data entry area in the same message interface for~~  
~~receiving the second set of one or more recipients;~~

wherein the first instructions comprise:  
instructions for displaying a first data entry area for the message; and  
instructions for displaying a second data entry area in the same message interface for  
receiving the second set of one or more recipients; and

wherein the first and second message portions are both received in the first data entry  
area, the computer program product comprising:

instructions for receiving a selection of the second message portion in the first data entry  
area.

*Allowable Subject Matter*

4. Claims 3-8, 11-16, 19-26, 29-30 and 33-34 are allowed.
5. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to anticipate or make obvious the claimed invention. Specifically, as per claims 4, 12, 20, 25, 29, and 33 the prior art fails to teach wholly, or in combination, the following elements:

wherein the first and second message portions are both received in a single data entry area.

Although Outlook teaches sending multiple message portions thru a single send command, Outlook does not teach these message portions to be composed in a single data entry area.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
